Merritt Hawkins is proud to partner with Federally Qualified Health Centers across the country and to be the **sole permanent physician recruiting partner of the National Association of Community Health Centers (NACHC)**. In the following client assessment, Tim Shryack, Chief Executive Officer for Missouri Ozarks Community Health in Ava, Missouri, describes how Merritt Hawkins worked with his facilities over the past year to place a variety of healthcare professionals.

“For the last 12 months or so, Missouri Ozarks Community Health has worked with Merritt Hawkins in our efforts to recruit qualified, professional medical and dental candidates. I am pleased to say that Merritt Hawkins has successfully placed 3 dentists and 1 physician in our clinic locations.”

“In the past, Missouri Ozarks Community Health has primarily relied on internal recruitment efforts and to say the least, has not been very successful. Consequently, we decided to seek out professional resources and fortunately came across Merritt Hawkins.”

“Merritt Hawkins team members are highly organized with great communication skills and timely follow-up. They have shown the ability to find qualified candidates who meet our mission of treating all persons with kindness and respect. **Merritt Hawkins has developed a great reputation in the recruitment industry and is able to attract candidates who have been successful in their chosen field** and are interested in joining organizations with a mission of serving others.”

“Overall, Missouri Ozarks Community Health experience utilizing Merritt Hawkins has been outstanding. If given the same decision to make, we would do so again. Our administrative team has remarked several times that **we should have made the decision to go with Merritt Hawkins much sooner** as their expertise and success in recruiting for Missouri Ozarks Community Health has allowed us to focus on our long-term goals and clinic operations rather than spending so much time on recruitment.”
