In the following client assessment, Susan Jeremiah, Chief Human Resources Officer for South River Community Health Center in Winston, Oregon, describes how Merritt Hawkins quickly and efficiently helped fill two leadership positions at her facility. Merritt Hawkins is proud to be **the sole permanent physician recruiting partner of the National Association of Community Health Centers (NACHC)** and to assist Federally Qualified Health Centers (FQHCs) in accomplishing their mission of providing quality, accessible care to traditionally underserved populations.

“Our company contracted with Merritt Hawkins to help us recruit a Medical Director. They met with me and our staff to review the community and our facilities. They were very intuitive and asked excellent questions.”

“Literally, within ONE DAY, Merritt Hawkins had 4 qualified physicians for us to speak with. We ended up hiring a Medical Director and an Assistant Medical Director.”

**“The services we received from the moment Merritt Hawkins contacted me, through their follow-up after the physician placements was extraordinary.”**

“I truly can whole heartedly recommend this company to your company. The price may be a bit shocking at first, but when you figure how fast they placed excellent candidates, **the amount we were losing in patient services will outweigh that.**”
